TECHNICAL SPECIFICATION

ROUGE

Type : Decorative Laminates
Size : 1220mm x 2440mm (8' x 4')
Product Standard : BIS (Bureau of Indian Standard) IS : 2046

For cleaning the surface of the laminates, use dry soft cloth to wipe the stains. If needed can use ordinary liquid detergent (non acidic). After taking a trial on small portion, stain remover or industrial organic solvents can be used to remove stubborn stains, in case if there is no problem. One should not use, wire or hard-plastic brushes or abrasives to clean the surface.

Since, decorative laminates are made for interior decorations, should not be used for external use where there are chances for direct exposure to sunlight or any other sort of direct heat. It is always recommended to keep the substrate horizontal while pasting the laminates, immediate removal of pressure and vertical pasting should not be practiced.

RANWOOD rega provides warranty that the product is free from any manufacturing defects and is suitable to use for normal and usual purpose. In case of any visual defects found, the product should not be used, cut or altered in any manner. **There may be slight variations in shades from batch. There is no warranty in metallic colors.** In case of any claims, the liability of the company is however limited to the cost of the product only.
